Department of Computer Science & Engineering

Project Proposal

Date: 17 February 2021

Project Title :

Android Application - Music Player

Project Team

Team Designation	Name	UID	Section
Lead	Rishabh Kumar Singh	19bcs1184	CSE-2B
Member1	Aman Raj	19bcs1182	CSE-2B

Project Objective

The main objective of the project is to create a music player in Android that can play music locally on device. Music player will give option to create personalized playlist, shuffle playlist and saving favorite songs. The project will also attempt to provide background controls for music player along with a sharing option. Sharing option aims to share music files over network to other devices.

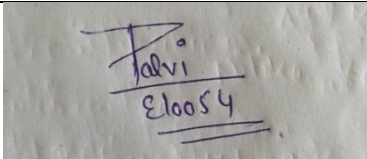

Project ID (If selected from project basket)

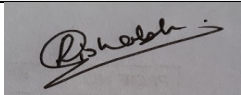

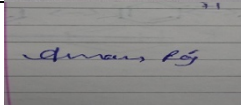

442
